GERMAINE DE CAPUCCINI

OVER 50 YEARS OF EXCELLENCE
IN PROFESSIONAL SKINCARE.

Established in 1964, Germaine de Capuccini is responsible for some of the most important breakthroughs in skincare technology and remains, to this day, one of the world's most important skincare brands, holding true to its original values of professionalism, quality, innovation and integrity.

CARMEN VIDAL
FOUNDER OF GERMAINE DE CAPUCCINI

Carmen was one of the first women to revolutionise the beauty industry. Born in 1915, a time where it was hard for women to study, she trained in nursing, physiotherapy and chemistry. Her unstoppable desire to create effective remedies that treated different skin problems (an unheard of concept at the time) led to the birth of Germaine de Capuccini skincare in 1964.

*"Beauty is strength, it is charm,
it is above all, a personal attitude;
a spiritual quality."* - Carmen Vidal
